Re: Everport Terminal Services Inc.  
Cases 32-CA-172286, 32-CB-172414

Dear Counsels:

It has come to the Office of the Executive Secretary's attention that the Respondent International Longshore and Warehouse Union's (ILWU) Joinder in Respondent Everport Terminal Services Inc.'s Exceptions and Supporting Brief, filed with the Board on October 26, 2018 incorporates by reference all exceptions and arguments made in Respondent Everport's exceptions and supporting brief. Respondent ILWU's brief in support of its exceptions is 36 pages in length and Respondent Everport's exceptions and supporting brief are each 50 pages in length. The Board's Rules and Regulations provide that any submission which contains argument shall be counted against the page limitation for briefs, which in this matter is 50 pages. Because the Respondent ILWU's Joinder in Respondent Everport Terminal Service Inc.'s Exceptions and Supporting Brief, when combined with the Respondent Everport's separate exceptions and supporting brief, exceeds the 50-page limit, Respondent ILWU's Joinder in Respondent Everport Terminal Service Inc. Exceptions and Supporting Brief will not be forwarded to the Board for consideration.

Respondent ILWU may file a conforming brief in support of exceptions of 50 or fewer pages by **November 21, 2018**. No extensions of time will be granted for the filing of the conforming brief.

Charging Party's Motion to Strike Respondent's International Longshore and Warehouse Union's Joinder in Respondent Everport Terminal Services, Inc.'s Exceptions and Supporting Brief is **denied**.

Very truly yours,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
